## Caring Accommodation

The Chestnut Boarding Centre is a  
separate entity to our famous Sanctuary.  
These are luxury **legal** pens, of which all can  
house one or a pair of cats/kittens, in new, insu-  
lated, well lit buildings, conforming to the latest  
requirements.

[9' x 3' each pen]. **Intercommunicating Fam-  
ily pens available for 3–10 cats.**

The buildings are heated, **at no extra cost to  
our clients;** well lit natu-  
rally by windows on all  
sides; and lights at night;  
insulated & indoors.  
4 pens have windows  
direct onto the garden, for  
the more curious cat  
[peak season only]!

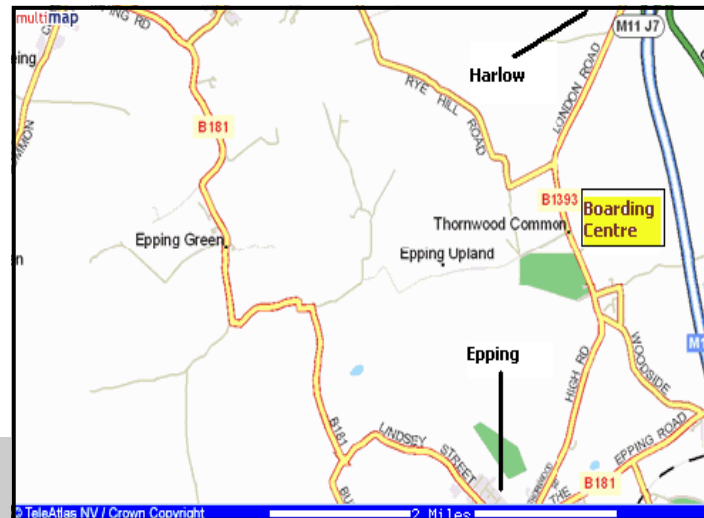

*"Hmmmm. this is  
the life!"*

**5 pens have open air aspect in Summer.**  
So the cats are in a completely safe and warm  
environment in our quiet Country setting far from  
a road.

We are fully licensed by Epping Forest  
District Council, who have strict requirements for  
animal care. **Your feline friend will stay in a  
loving and cared-for holiday home.** Our run-  
ning a cat re-homing centre for the last 7+ years,  
has given us a vast experience on which to base  
the new Boarding Centre, using all our findings of  
cats likes and dislikes.

**Run by the owner Mrs. Kathie Rayner**

*Situated on the main B1393 between Epping and Harlow  
in the village of Thornwood Common, Epping, [almost  
opposite the Texaco garage] 2 miles outside Epping, or 1  
mile from the M11 Junction 7 [Harlow] towards Epping.*
